

Cruise Port Research Request Prompt Template for ChatGPT

Paste the following into ChatGPT after you have updated the details

Cruise Overview:

- **Cruise Line:** [Enter Cruise Line Name]
- **Ship Name:** [Enter Ship Name]
- **Cruise Dates:** [Enter Start and End Dates]
- **Ports of Call:** [List Each Port]
- **Who's Going:** [List Travelers, e.g., Family Members, Friends, Kids, etc.]
- **Travelers' Likes:** [e.g., Snorkeling, Historical Sites, Local Food, Shopping, Adventure Activities]
- **Travelers' Dislikes:** [e.g., Crowded Tours, Long Walks, Certain Cuisines, etc.]

Output Requirements:

1. Executive Summary (1-2 Paragraphs Per Port)

Provide a brief, high-level overview of each port. Highlight what makes the port unique, what types of activities it's best known for, and why it's worth exploring. Include notable historical facts, cultural highlights, and key attractions.

2. Detailed Port Information

For each port, break down the following categories:

a) History

- A brief history of the port, including significant events, historical figures, and its role in regional development.

b) Culture

- Overview of the local customs, traditions, festivals, and lifestyle of the people in the port.

c) Cuisine

- Description of local dishes, ingredients, and dining experiences. Include must-try foods and restaurants, if applicable.

d) Activities & Attractions

- Highlight popular activities such as snorkeling, visiting historical sites, shopping areas, beaches, and excursions.
- Include a mix of guided tours and self-guided options.
- Call out any family-friendly activities, unique experiences, or hidden gems.

e) Shopping & Souvenirs

- Suggestions for unique items to buy and the best places to shop.

f) Travel Tips

- Provide tips on transportation, safety, weather, and what to pack for each port.

g) Additional Information

- Provide any additional information like Hidden Gems, Do's and Don'ts, or anything else that would be valuable

3. Relevant Links Table

At the bottom of each detailed port section, include a table with curated links for further research.
